

Uluslararası öğrencilerin kesin kayıtlar esnasında diğer kayıt belgeleri ile beraber Türkiye'de Milli Eğitim Müdürlüklerine yurt dışında ise ülkelerindeki en yakın T.C. Büyükelçilik / Konsolosluklara bağlı Eğitim Müşavirlikleri ve Eğitim Atasehliklerine onaylanmış Lise Diploması Denklik belgesine sahip olmaları gerekmektedir. Belirlenen zaman dilimi içinde denklik belgesini almayan öğrenciler üniversitedeki kayıt haklarını kaybedecek ve kayıtlarını tamamlamış olsalar dahi kayıtları iptal edilebilecektir.

We would like to emphasize that international students are required to provide diploma equivalency certificate along with other registration documents which should be obtained from the Ministry of Education in Turkey or from the nearest Turkish Consulate in his/her home country. Students who fail to provide diploma equivalency certificate within a given time shall lose their place to register as a student or their registration shall be cancelled at Istanbul Kent University.

Öğrencilerin kayıt işlemleri ve ikamet tezkeresi süreçlerini tamamlayabilmeleri için geçerli bir vize ile Türkiye'ye giriş yapmaları gerekmektedir. Kendi ülkelerindeki vize uygulamaları hakkında bilgi edinmek adına öğrencilerin T.C. Büyükelçilikleri / Konsoloslukları ile irtibata geçmeleri ve bu resmi kabul mektubunu vize işlemleri için kullanmaları önerilmektedir.

Please note that international students might need a valid visa to enter Turkey for enrollment and residence permit purposes. Hence it is highly recommended that international students should check their country's visa regime to Turkey and complete their travel arrangements in a timely manner. This official letter of acceptance could be used for visa purposes.
